

Seeking Volunteers for a Quick Interview on Toenail Health

Are you dealing with toenail fungus, or have you tried treatment options? We'd love to hear your story.

Who We're Looking For:

- Adults aged 25-65+
- Those who have dealt with toenail fungus or explored treatments

Why Participate? Share your experience and help us improve treatment options

- Contribute to the development of a new toenail fungus care brand
- Quick 1-20 minute interview (done remotely)

How to apply: Simply send us a message or email us [email]. Let us know a bit about your experience, and we'll get back to you with the details!

Help us shape a better future for toenail care - your insights are invaluable!

(From the email, a Calendly or scheduling interview link can be sent.)
