

Interview Guide: Toenail Fungus Treatment Experiences

Introduction: (1-2)

- Thank you for taking the time to speak with me today. This interview will help us better understand people's experience with toenail fungus and their expectations from different treatment options.
- Please feel free to share openly: there are no right or wrong answers. Your response will remain anonymous.

Section 1: Understanding the problem (4-5 min)

1. Can you please tell me about your experience with toenail fungus?
 - a. Follow-up:
 - i. How long have you been dealing with it?
 - ii. What is the impact on your daily life
2. How did you first become aware of the issue?
 - a. Follow-up:
 - i. Did you notice it yourself, or did someone else point it out?
 - ii. What symptoms did you initially observe?
3. What have you done so far to address it?
 - a. Follow-up:
 - i. Have you tried the over-the-counter products or home remedies?
 - ii. Did you consult a doctor or a specialist about it?

Section 2: Exploring Treatment Expectations and Preferences (5-6 min)

1. When it comes to treating toenail fungus, what are the most important things you look for in a clinic or service?
 - a. Follow-up:
 - i. Are you looking for expertise, convenience, speed of treatment, or something else?
 - ii. How important is a customized treatment plan for you?
2. What treatment methods are you most comfortable with (topical creams, laser, therapy, oral medication)?
 - a. Follow-up:
 - i. Have you tried any specific treatments before?
 - ii. How do you feel about non-invasive versus invasive methods?
3. What level of involvement would you prefer from the clinic team throughout the treatment process?

- a. Follow-up:
 - i. Do you want regular follow-up or a single consultation?
 - ii. Would the telehealth option make a difference for you?

Section 3: Brand messaging and clinic expectations (5-6 min)

1. What would make you trust a toenail fungus clinic over the other options?
 - a. Follow-up:
 - i. Is professional certification or experience important to you?
 - ii. How do you feel about the use of advanced technology treatments?
2. If a clinic promised “fast, effective, and professional care”, what would you expect from that experience?
 - a. Follow-up:
 - i. What kind of results would you expect to see and in what timeframe?
 - ii. How would you define “professional care” in this context?
3. How important is transparent pricing and information on treatment packages for you?
 - a. Follow-up:
 - i. Would knowing the costs upfront influence your decision?
 - ii. Are there any particular services you’d want to be clearly outlined in a package?

Section 4: Final Thoughts and Preferences (2-3 min)

1. If you were to choose a toenail fungus treatment provider, what would be your top reasons for doing so?
 - a. Follow-up:
 - i. Are there specific aspects of a clinic or team that would attract you?
 - ii. Would testimonials or patients' success stories influence your decision?
2. Do you have any other thoughts or suggestions on what would improve the experience of seeking toenail fungus treatments?

Closing (1-2 min)

- Thank you for sharing your insights. Your feedback will help us understand the hope to better serve people dealing with toenail fungus.
- Is there anything else you’d like to add about your expectations or needs regarding toenail fungus treatments?
